Interagency Edison (iEdison II)

Release Notes

Version 2.0.10 – July 27, 2005

Enhancements in this Release

- There were no enhancements in this release.

Issues Resolved in this Release

- Corrected an error where system did not display a warning stating the Title Elect date would be removed when the Title Elect date was required to be empty.
- The grant/contract number format help page has been updated to be more consistent and to reflect current formatting rules.
- Corrected an error where phone numbers entered for countries within the North American Numbering Plan were not being validated properly.
